![BRAND MEDIX logo]

Local Search Optimization

Google My Business | Practo | Lybrate and more

Every doctor has a local presence and people search for doctor locally. We optimize your Google My Business profile to be in top for related treatments search and drive more queries and appointments.

Google My Business

•practo•

lybrate

Video Marketing

Research | Editing | Publishing | Optimization

Video is the best way to communicate with people. Our content research team helps doctors create the right videos based on people's searches and topics. This will help you to get more visibility in your niche and drive more patient enquires.

BRAND MEDIX

Search Engine Ranking

Google | Bing | Yahoo

Our SEO strategy help doctor's website to get discovered in top pages and drive potential patient traffic to their website. Dominate in the search result page and drive highly potential patient to your website and get more appointment online.

Google   yahoo!   Bing

Social Media Marketing

## Facebook | Instagram | LinkedIn | Twitter

Reach to the billions of the people on different social media platforms including Facebook, Instagram, LinkedIn, Twitter and more. Get patients by sharing useful information on social media platforms and effective social media content strategy.

facebook **Instagram** **Linked in** **twitter**

Website Design

Website | Blogs

We design and develop high-quality mobile responsive websites for doctors. We know what works for doctors and we use call to action and other contacts plugin integration accordingly to give ease of finding treatment options and appointment booking.

Content Marketing

Content Research | Content Writing

We help doctors create highly optimised content related to your specialisation and the treatments you offer. It helps you build more authority and share relevant information with your potential patients
